advantage

investment service

As a client of law financial planning *advantage investment service* we will provide you with a clear service level, regular fund reviews and added benefits:

- **Review meetings** – we will provide a face to face annual review with you once each year if you require. Telephone reviews can also be arranged.
- **Valuation service** – you will receive clear valuation statements twice a year.
- **Portfolio reviews** – the funds in your portfolio will be constantly monitored by independent industry experts with switches made when required.
- **Opportunities** – we may contact you if we think new rules, tax allowances or legislation means that we believe there are opportunities that may affect you.
- **Tax deadlines** – we will remind you of ISA rules and dates.
- **Welcome pack** – we will provide you with a full comprehensive report together with important information for your retention.
- The **advantage** service is provided at a charge of 0.70% per annum of the value of your invested funds.
